PLEASE NOTE:

What we are doing!

Holy Name Passionist Retreat Center

As it has always been, the safety of our guests and staff at **Holy Name Passionist Retreat Center** remains our highest priority. We take great pride in maintaining the highest standards of cleanliness and hygiene. In response to COVID-19, we have taken additional measures to make our cleaning and hygiene protocols even more rigorous:

- Our staff is being regularly updated with enhanced cleaning and operating procedures.
- We have increased the frequency of cleaning our public areas (including lobbies, door handles, public bathrooms, etc.) and have continued to use hospital-grade disinfectant standards.
- We have increased the deployment of antibacterial hand sanitizers and cleaning wipes for staff and guests.
- We are following guidelines set by the CDC, state, and local government and the Arch-Diocese of Galveston-Houston for cleanliness and social distancing.

SOME COMMENTS FROM RECENT RETREATANTS:
