

Holy Name Passionist Retreat Center

URGENT

Summer Appeal

Dear Friends of Holy Name,

Every year, the retreat center undertakes three fundraising appeals (Easter, Summer, & Christmas) to assist with special projects and upkeep of the grounds and facilities. We endeavor to use these appeals to enhance the experience of every visitor to maximize their comfort as they come to encounter God in His beauty and mercy.

Just recently, one of our Chapel's interior AC units had failed due to continuous wear and tear. After consulting with multiple HVAC companies, the cost to replace the parts, including labor, is going to reach around \$17,000. Therefore, for this year's **SUMMER APPEAL**, in order to quickly conduct these repairs and to pay off the debt without delay, we are **urgently** asking for \$17,000.00. The Chapel is the epicenter of the retreat center. It is the temple that houses Christ's Body and Blood; it is the space where people come to worship, pray, and find rest in the Lord's mercy and healing.

Please help us offset this unexpected, but necessary expenditure in fixing our Chapel's Air Conditioner. Thank you to those who have contributed generously in the past to our appeals, fundraisers, and general donations; the mission and ministry of the Passionist Fathers would not be continuously manifested without your sacrificial and charitable giving.

Sincerely yours,

Kate Mims
