

The writings and personal encounters of St. Paul the Apostle and St. Paul of the Cross, who were both committed to preaching Christ Crucified, serve as a historical canvas upon which a portrait and understanding of Christ are painted.

Encountering *The Truth*

Capturing the reverence, excitement, and newness of an encounter with the Truth, what is to say with Christ Himself, who is the Way, the Truth, and the Life, particularly in modern society plagued by a cancel culture and relativism, the Preaching Team and Retreatants will be given a unique opportunity to “paint a portrait” of Christ through exploring various encounters with Him and with others in their lives as experienced through the Scriptures, at home, in their parish communities, and out in the world.
